

## *Little Masterpieces Art Information pack:*

***Little Masterpieces approaches art through the lens of renowned Masters like Van Gogh, Matisse, Da Vinci, Picasso, and more. Our curriculum not only delves into art history but also guides students in emulating these great artists' techniques. From mastering pencil, charcoal, pastel, and pen & ink drawing, to acrylic painting on canvas and sculpting with plaster and wood, our step-by-step program covers a comprehensive range of mediums and skills. Each term brings new masterpieces and builds towards creating a portfolio of exceptional artwork.***
