

Dubai Sound Academy.

LOCATION: 1ST FLOOR, Dubai British School Jumeira

Summer Term ECA & ASAs

DUBAI SOUND ACADEMY is situated on the 1st floor, along the same corridor as the Art and Performing Arts Department. We have two amazing murals displayed on our walls outside! Inside our classrooms, you'll find the latest DJ and music production equipment.

Unlike most other providers in the school, DBS Jumeira is our home, and we operate here 99% of the time. Classes are available seven days a week. We offer both Extracurricular Activities (ECAs) and After-School Activities (ASAs), meaning we teach after school in the afternoons, evenings, and on weekends. We are also collaborating with the school on in-curriculum classes!

We are excited to kick off the next term, not only with DJ classes but also with a wide variety of other offerings, including **Discovery DJs, Making Music with GarageBand (iOS), Beginner Guitar Group classes, Beginner Piano Group classes, and private instrument lessons for guitar and piano.** Additionally, we will soon be starting drums and singing classes.

Our DJing and GarageBand Spring Camp is scheduled for the 2nd - 4th (3 Days) of April this year, to be held at Dubai British School Jumeira.

Dubai Sound Academy is dedicated to inspiring a passion for creativity. We aim to teach you about music—not just how to play your chosen instrument. Our curriculum includes ear training to help you truly hear music, not just listen to it. You'll learn to read, write, and produce music, and develop your skills as a performer.

We look forward to welcoming you to our space, and you are more than welcome to arrange a visit. Please take a moment to review our classes, and we look forward to hearing from you and meeting you soon.
